

THE VILLAGE DIRECTORY 2023

The next edition of the Village Directory (the 'Blue Book') will be published in April 2023.

If you are already in the current 2019 edition, you need to confirm the names you want listed, your address and your telephone number to rydavillagedirectory@outlook.com.

If are not in the Directory but wish to be, you must complete a Consent form in order that the Directory complies with the General Data Protection Regulations (GDPR). You have to give your explicit permission for us to include your name(s), address and telephone number(s). Please note that each individual named in the Directory must consent individually. Spouses or partners cannot sign for each other.

If you are a new entry, send the completed consent form to Peter Faulkner, Snaefell, Stoke Road, Noss Mayo PL8 1DY or by email to rydavillagedirectory@outlook.com.

If you wish to read the policy regarding protection of your data, go to www.ryda.org.uk/dataprotection

The details you provide will only be used for your entry in the Directory. You should be aware that the Directory is provided free to all RYDA members and is available to purchase locally.
